

***Welcome to Healing Logos Christian Family Counseling, Inc.***

We appreciate you choosing us to assist in helping you meet your counseling needs and goals. We understand and acknowledge the courage it takes to want to make a change, and we are honored that you considered us to work with you through this journey.

We see our clients as unique individuals with unique needs. Our goal is to give you a place where you can hear, and your voice is heard. Sometimes life can be so difficult that everyone needs someone to stand alongside them and give them hope and strength. This is what we endeavor to do at Healing Logos Christian Family Counseling, Inc.

Often our clients want to share with others their progress and success. You will have the most success by completing the goals you came to achieve. We welcome you to share your progress with others. Please know that should you choose to refer a potential client to work with us that both of your information is confidential and protected under HIPAA guidelines. Healing Logos Christian Family Counseling, Inc., does not share information with others without your consent.

We very much welcome and appreciate new clients into our practice, so we can also help them achieve the goals that matter to them most. We look forward to getting started with you at your first appointment. Currently, all sessions are virtual. We normally send out the link to Zoom on the morning of your session. Should you have any questions prior to our appointment please feel free to call our office at 909 726-5042, and the staff will be able to assist you. You may also email [healinglogos@gmail.com](mailto:healinglogos@gmail.com) or receive further information regarding our practice on our website [www.healinglogoschristiancounseling.com](http://www.healinglogoschristiancounseling.com); or by typing [www.psychologytoday.com](http://www.psychologytoday.com) and entering Gloria Haywood.
